**Online Lead Auditor Training**

# About <sup>IRLA</sup>

We empower the individuals & professionals with the capability to help the organizations to reach the highest standards, maintain compliance and drive efficiency around the world.

## Learn From The Best Experts

We are renowned for our flexible lead auditor course contents, variety learning options, easy and interesting practice questions that are building on the foundation of theory and practices that work in today's world.

Our **lead auditor training** provides you the knowledge of planning, conducting, reporting and following up on quality audits to establish conformity (or otherwise) with respect to ISO Standards.

# ADA

# Accreditation Body
*ADA (American Directorate of Accreditation)*

ADA is a U.S. based independent accreditation of conformity assessment bodies. It is operating independently and builds trust in products and services by strengthening technical infrastructure for conformity assessments.

ADA's primary function is to accredit conformity assessment services such as - *Testing, Calibration, Inspection and Certification.*

**P** -Potential

**R** - Responsive

**E**- Excellence

**C**- Customized

**I**- Innovative

**S**- Solution

**E**- Exclusively
